

# grilled cheese

A RECIPE BY DOUG

## ingredients

- 2 slices of bread
- your favorite sliced cheese
- butter or cooking spray
- Optional: anything else you would like to add, like tomato, bacon, etc.

## supplies

- frying pan
- spatula

## directions

- Put the cheese between the two slices of bread to make a sandwich.
- Start heating up a frying pan with either a little bit of butter or spray for about 2-3 minutes on a medium setting.
- Carefully place your cheese sandwich on the frying pan.
- Let it cook on medium heat for about 4 minutes.
- Use a spatula to lift part of the sandwich to check the bread. If it looks like a nice piece of brown toast, use the spatula to flip it to the other side. If not, let it back down and keep checking until it is browned, then flip.
- Repeat for other side.
- Once the other side is nice and browned, you can plate it, cut it, and enjoy!
