

1000 BOOKS

Before Kindergarten

How does my child participate?

- Visit Kennedy Library or Westergard Library to receive your paper reading log OR log books online through our READSquared website: <http://piscataway.readsquared.com/>
- Read with your child - read anything, read anywhere, and repeat!
- If you are using our paper reading log, write each title that you read together on the paper log. If you read a book more than once, you can record it each time! If you are logging online, enter each title that you read together via our READSquared website.
- When you finish reading 100 books
 - Visit the library and receive sticker incentives as well as a book browser bag to hold all the great books you are going to read next!
 - Collect your next paper log or sign in online to keep logging
- As you continue to reach each milestone (200 books, 300 books, 400 books, 500 books, 600 books, 700 books, 800 books, 900 books), visit the Library to receive sticker incentives and paper logs (if applicable).
- Once you reach 1000 books, your child has earned a free book and a certificate of achievement, which can be picked up at either location.
Happy Reading!
