

Title: School for Good and Evil: A Crystal of Time

Author: Soman Chainani

Review by: N. Ahmed

This is the 5th book in a series, by the way!

A traitor has seized Camelot's throne, sentencing Tedros, the true king, to death. Tedros's queen, Agatha, narrowly escapes, but their friend Sophie is trapped. She is forced to play a dangerous game as her wedding to the false king fast approaches, and all the while her friends' lives hang in the balance. Now Agatha and the other students at the School for Good and Evil must find a way to restore Tedros to his rightful place on the throne and save Camelot – before all of their fairy tales come to a lethal end, and the future of the Endless Woods is rewritten forever...

This is one of my favorite series because I've been reading it ever since it was not popular at all. This series got me into reading for its vibrant descriptions. I'm not one for fantasy, but I would recommend this book to anyone with a couple of hours to spend! It has something for everyone; adventure, action, friendship, drama, and a killer romance story!
