

1000 BOOKS

Before Kindergarten

How does my child participate?

- Read with your child - read anything, read anywhere, and repeat!
- Write each title that you read together on the paper log. If you read a book more than once, you can record it each time!
- When you reach a milestone (100 books, 200 books, etc), feel free to visit us at the library and collect a sticker.
- Once you reach 1000 books, your child can collect a bag, free book, and certificate of achievement, which can be picked up at either location.
Happy Reading!
